Importers: Michael Work Owner: Michael Work

Health testing and history: OFA-CERF: BJ-1521 (08).

OFA-HA: BJ-PK115/33F-VPI. OFA-Hips: BJ-

2048F31FVPI. OFA-Patella: BJ-PA150/31F/P-VPI.

OFA-Fanconi: BJ-FAC1870/32F-VPI (Prob. Clear).

Average Evaluation Score (out of 5): 4.0 or Very Good

Date of Death:

Cause of Death:

Comments: Avongara Bernadette (Bernadette) exemplifies the lightly built hunting dog from Central Africa we went to find. Her small ears and dark eyes are a few of her virtues that the breed is lacking. She is an amazing companion with a temperament that excels a lot of animals that we have in the country today. Bred to the correct animals she will be a great asset to the American Basenji stock that we have here today.

Litters produced: none
