Sire: Noki

Dam: Coqui

Breeder: Chief of the  
Donkessa

Importer: Mrs. O. Burn  
and later exported to  
USA, his records were  
lost and a Basenji named  
Bois was found by Mr.  
and Mrs. Al Phemister  
who registered him in  
the new name since they  
did not have his records  
or history. It is now  
believed it is the same  
dog since the call name  
was the same and the  
photos appear to be  
identical.
