

*Avongara Bernadette*  
**Evaluations**

**AKC Approved Judge – P. Levi Marsman 11-23-08**

Good type. Movement superb. Head and ears good. Tail could be a little tighter but overall good specimen of the breed. It should be an asset to the American Basenji breeding pool.

Rating 4 Very Good

**AKC Approved Basenji Breeder Judge – Joseph R. Tomey 11-22-08**

She has a very typical Basenji head. She is a little longer than tall. Good feet. Good tail set but little curl. Very good dark red coat. Great temperament. She is very much a Basenji.

Rating 4 Very Good

**Long-time Breeder – Debbie Hauri 11-22-08**

Extremely sweet disposition with tail wagging and very friendly. Small ears, good bite with nice eye shape and color. Head was nice shape but could use little more wrinkle but otherwise typical. Color is correct and movement is true coming & going. Side gait is also good. The thing that would keep her out of the show ring is that her legs are a little short or back is too long and tail could use more curl.

Overall she is a very balanced mover and there is no doubt that she is a basenji.

Rating 4 Very Good

# Form for Native Stock Evaluator

**Evaluator: AKC Approved Basenji Judge**

Dogs name AVONGARA BERNADETTE

Evaluator's comments:

Good type. Movement superb. Head and ears good. Tail could be a little tighter but overall good specimen of the breed. It should be an asset to the American breeding pool.

# Form for Native Stock Evaluator

Evaluator: Long-Time Basenji Breeder

Dogs name Avongara Bernadette

Evaluator's comments:

Extremely sweet disposition with tail waggery and very friendly. Small ears, good tick with nice eye shape and color. Head was nice shape but could use a little more wrinkle but otherwise typical. Color is correct and movement is true coming and going. Side gut is also good. The thing that would keep her out of the show ring is that her legs are a little short on back too long and tail could use more curl.

Overall she is a very balanced mover and there is no doubt that she is a basenji.

Refer to "Guide for Native Stock Evaluators" for descriptions of evaluation categories.
