

Miliku

Call name:

Sex: Female Color: Black and White

Approximate date of Birth: Unknown

Date of importation into Northern Rhodesia: 1960s

Area discovered in Africa: Liberia 

Sire: Unknown African

Dam: Unknown African

Breeder: [Margaret Miller](#)

Health testing and history:

Date of Death: Unknown Cause of Death: Unknown

Comments: Roslyn Sadler brought Miliku from Liberia to Northern Rhodesia. Miliku did not leave Africa but was bred with dogs which had been brought to Africa and her descendents were among dogs who came to the USA to Gwen Stanich, Coptokin Basenjies.

Litters produced:

No details known - litter born in Africa

Andersley Amazonia

Andersley Antony of Lindsey

Andersley Anthea

Sire: Zambi of Lindsey (tri)

Eng. Am. Ch. Andersley Atlantic

Andersley Awail of Lindsey

Andersley Await (tri)

Comments: Only known offspring is a black and white male **Taysenji Dopa**. This dog is a grandsire of S. Afr. Ch. Lazi of the Senjies who sired a litter with an American bitch who had come to Africa; the litter came to the United States. If researching pedigrees note that there was another dog named Taysenji Dopa later.

This photo was identified as some of the Sadler black and white Basenjis.
